

**PHIPSI-2019:**  
International Workshop “e+e- Collisions From Phi to Psi 2019”  
**February, 25 – March, 1, 2019**  
<http://phipsi19.inp.nsk.su/>

**SECOND BULLETIN**

The International Workshop "e+e- Collisions From Phi to Psi 2019" will be held in Novosibirsk, Russia from February 25 to March 1, 2019, cohosted by the Budker Institute of Nuclear Physics SB RAS and Novosibirsk State University. It is the twelfth in a series of meetings that started in Karlsruhe (1996) and Novosibirsk (1999).

**Scientific Program**

The aim of the Workshop is to review the status and progress in hadron physics at low energy accelerators and related fields. Special attention will be paid to the physical program of experiments at the future Super-tau-charm factory. The scientific program covers the following topics:

- R measurements
- Hadron spectroscopy
- Physics of leptons
- Muon g-2
- Two-photon physics
- Flavor physics
- Dark sector
- Baryon formfactors

**Preliminary schedule**

The Conference timetable and the list of the posters are now available at the Conference website. One can also download the Abstract book from the Conference page.

**Conference Venue and Transportation**

The Conference will take place in the main Conference hall of the Budker Institute of Nuclear Physics in the Academytown (Akademgorodok) of Novosibirsk, Russia. Academytown is situated 30 km from the downtown of Novosibirsk.

Transportation from/to the airport Tolmachevo and the hotel will be provided by the BINP. Please, supply us with your arrival/departure date and time and flight numbers through your InDiCo registration form or by e-mail [kuzin@inp.nsk.su](mailto:kuzin@inp.nsk.su). Organizing Committee representatives will meet you in the “Arrival” area of Tolmachevo airport with the poster indicating your last name(s). **In emergency case (flight cancellation, delaying and other last minute changes), please inform the responsible person Mrs. Viktoria Maksimovskaya by call/sms/WhatsApp to phone number +7 913-936-4275.**

Please note that February 23<sup>rd</sup> and 24<sup>th</sup> are public holidays in Russia, thus we kindly ask you to provide your itinerary not later than February 21<sup>st</sup>. Please note once more that LOC representatives will meet those participants who live in Academytown. Those participants who decided to arrange their own accommodation in the City center have to take a taxi.

A shuttle bus between the hotels “Golden Valley”/“ParkWood” and the BINP will be provided at convenient times. We’ll place the bus schedule in the hotel lobby.

**Accommodation**

"Zolotaya Dolina" 2-star Hotel. Distance from BINP: 1400 meters, 18 minutes by foot. See a [map of surroundings](#). The breakfast is not included in the room rate. You should book it separately upon check-in.

Park Wood 4-star Hotel. Distance from BINP: 4000 meters, 40 minutes by foot.

You can pay for your stay by cash (Russian rubles only) or by Visa/MasterCard/Maestro cards at the hotel registration desk. Travel cheques and Visa-Electron cards are not accepted.

## Registration

The registration will take place in the entrance hall of the BINP main building on Monday, February 25, from 8:30 a.m. to 10 a.m. The bus from the hotel to registration will be provided at 8:30 a.m.

## Registration Fee

The Conference Fee is 400 Euro for participants and 100 Euro for accompanying persons. The Conference Fee covers the participant's set, coffee breaks, welcome party, lunches in the BINP canteen, Conference dinner, transportation from/to airport, and the Conference proceedings. The conference fee is accepted by **cash only** during the registration at Monday. **Sorry, we do not accept credit cards.** We kindly ask you to prepare the necessary amount of cash in advance. Receipts will be provided.

Tickets to the Ballet are not included in the registration fee and should be paid additionally (30 Euro for one ticket for those participants who wish to attend).

## Social Program

The social program for participants and accompanying persons includes a welcome reception on Monday, February 25 and a Conference dinner (banquet) on Thursday, February 28. We also offer a performance in the Novosibirsk Opera and Ballet Theatre.

In addition, we will organize winter sport activities: cross-country skiing and ice skating on arrival and departure days (Feb. 24 and March 2) and optionally during the lunch breaks. Please let us know if you would like to participate by email to [krokovny@gmail.com](mailto:krokovny@gmail.com)

## Conference Proceedings

It is planned to publish all oral and poster presentations in the **EPJ Web of Conferences** magazine. Details will be provided later.

## Presentations and file formats for oral speakers

**Time for presentation.** The presentation time mentioned in the program **includes time for questions and answers.** For example, a 30-minute Invited talk includes 25 min for the talk and 5 min for a discussion. Please keep allocated time!

Please upload your presentations to the Conference Indico system at least before the beginning of the session (under yours submitted contribution abstract).

You can also ask to copy your presentation directly to the PC/notebooks in the Conference Hall during the coffee breaks or lunches.

**Portability.** Your presentation is handled by a dedicated stand-alone computer running Windows, PowerPoint, Acrobat Reader and Quicktime. Please prepare your presentation in Microsoft PowerPoint 2003 (PPT) or Adobe Portable Document (PDF) format. Use only TrueType fonts and embed them (Click *Embed True Type Fonts* on the *Save* tab of the *Tools->Options...* screen before your final document *Save*). Ultimately your presentation has to be opened on a stand-alone Windows 7 system optimized for the variety of attached hardware and not for the latest and most complete software suite.

**Poster presentations.** We recommend you to place your poster at the corresponding board (see the number in Conference program) on Monday and remove it on Friday. We have enough boards to show all posters during the Conference. Please prepare the poster as A0 size in vertical orientation.

## During the Conference

- A badge with your name received during the registration is your pass to the Institute. Please show it at the entry.
- The Organizing Committee is situated in room 331 of the main building (the 3rd floor), tel. +7 (383) 329-47-45.
- You can use your notebook for Wi-Fi Internet connection. Our public networks are BINP-Guest (BINP-Guset-WPA). The personal login name and password for the connection will be provided.
- **Please check the date and time of your car departure from the hotel (or BINP) to the airport "Tolmachevo" in the Organizing Committee room.**

## Meals

Coffee breaks will be served nearby the main Conference Hall.

Lunch will be served in the Canteen of the Budker Institute after showing special coupons provided during the registration. Please inform us about food limitations/preferences if any.

A list of restaurants and café in Akademgorodok can be found by link

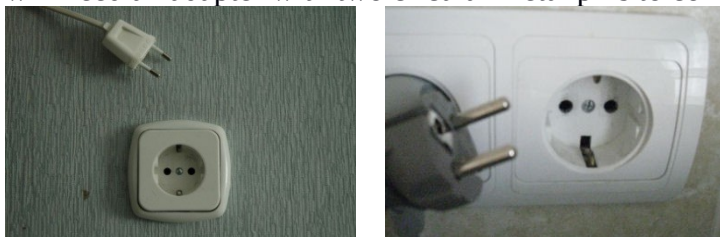

<http://ssrc.inp.nsk.su/CKP/userdoc/cafe.html> where the map of Akademgorodok and menu are provided.

## Currency

Please note that all service (including hotel, meals, etc.) in Russia can be paid in Russian rubles only. 24h ATM's operating with the VISA/MasterCard cards allow cash withdrawals in Russian rubles. It would be convenient to use ATMs in the hotel "Zolotya Dolina", in the post office near the hotel and in the BINP. In banks of the Akademgorodok there is also cash currency exchange from US dollars and Euros. Some Novosibirsk banks also have a Western Union service. Several banks are located at the post office in the nearest building to the hotel. The BINP nearest bank office is Otkritie bank (5-7 minute walk from BINP). Bank hours are from 9 am to 7 pm.

## Power

Please take into account that the standard electric voltage in mains in Russia is 220V/50Hz. The European type (German) of power supply connectors is used. Namely, the distance between centers of plugs in a socket is 18 mm, plug diameter is 4 mm. American, UK and Asian plugs will not fit and therefore you will need an adapter with two circular metal pins to connect your devices to electrical mains.

## Weather

February and March are still winter months in Novosibirsk, but at the period of the Conference it is usually not as cold as before, with temperatures varying between -5C and -15C. However, dramatic changes of temperature are sometimes possible and we recommend to have warm clothes including solid shoes, a hat, scarf and gloves.
